

## Guidelines for Staying with Your Dog at the Seaside Hotel Los Jameos

- Dogs are allowed exclusively in the room. If you take your dog outside the hotel, they must be on a leash. In all public areas, your dog must be carried in a transport bag. Dogs are not allowed in the bars, restaurant, and pool areas.
- Please inform us in advance during the reservation if you are traveling with a pet.
- Maximum size: 5 kg. One dog per room.
- Your pet must always be on a leash when entering or leaving the hotel premises.
- It is not allowed for your dog to relieve themselves within the hotel grounds. We recommend taking your dog for walks outside the hotel and always cleaning up after them.
- If your dog causes any damages, the cost of repairs will be added to your room bill.
- Dog owners are responsible for maintaining their pets in appropriate hygienic and sanitary conditions.
- Please note that your room will not be cleaned while your dog is in it. Inform the hotel staff when your dog is not in the room so that cleaning can be done (between 8:00 AM and 4:00 PM).
- Pets are not allowed on the bed or sofas.
- Please do not bathe your dog in the room's bathtub or shower. You can do this at the beach exit. Use the grey towel provided in the room for drying.
- We request that dog owners leave a mobile phone number at the reception for contact in case the dog is alone in the room and disturbs other hotel guests.
- The hotel provides a "dog kit," including:
  - 1 dog bed
  - 1 towel
  - 2 bowls (water and food)
  - 2 toys

Don't forget to present a signed copy of this document at the reception as proof of your acceptance of these conditions. We appreciate your compliance with these rules and hope you have a pleasant stay at our hotel.
